Discourse by Rev. T. DeWitt Talmage

LIFE ASSURANCE COMPANY of CANADA.

The policy holiers of this Congany will be pleased it have that the a the year just closed has been very satirastory. The Life Application, we for over \$2.00,000 against \$8,100,000 in 1884. The income increased by the property of the property of the property of the property of any previous year in the Company's history, and furth the business was of any previous year in the Company's history, and furth the business was more hand \$100,000 should risks to date, which prove clearly the increa-
